

K-Love is a wonderful radio station that I have personally been supporting on a monthly basis for the last year. It is an uplifting christian station that is commercial free and a great benefit to my daily spiritual walk. I don't have to worry if my 9yr old daughter listens to this station for fear she will hear some sexist, poor taste comments. It is a great resource for our community churches to advertise free concerts, and other upcoming events. I would be very upset if our community lost this radio station.
